Project 2017

USLA  
Ranaviru Fund  
Project 2017

Dear friends and well-wishers,

The United Sri Lanka Association takes this great opportunity in informing the general community the outcome of another project handled by USLA with great success. The details follow.

As part of an ongoing activity, the Ranaviru commemoration day was held once again in 2017 on the 19th of May with a successful participation of the general public. The event was held at Lakmedura in Tawa.

Going forward, USLA communicated with Brigadier Roland Bogodawatte in Sri Lanka to get what was feasible and most required at Mihindu Seth Medura, the disabled soldiers' centre in Attidiya- Dehiwala. It was revealed the need of four computers at that time.

USLA purchased four brand new computers in this regard and a ceremonial presentation was done by USLA's past president Mr Sadun Kithulagoda on the 4th of July, 2017 in Sri Lanka at the said centre. To felicitate this occasion, Sri Lanka's popular cricketer Mr T.M. Dilshan joined Sadun on the day.

A thank you note in this regard was received by Brigadier Bogodawatte, and has been attached below.

The USLA always greatly appreciates the continuous donations being made by three honourable USLA members towards the Ranaviru Fund. They are, Mr Hemantha Madurapperuma, Channa Ranasinghe and Siri Ramyasiri. Thank you very much for these donations towards a worthy cause.

In the case where the general public would like to contribute to such cause, below are the details you may require:

**The Project: Ranaviru Fund**

**Account Name: USLA Ranaviru Fund**

**Bank and the account number: BNZ 01-0517-0292026-03**
